

HP Designjet 70 Printer

Fast printing up to C-size in full color—for technical, business and education professionals.

Product pointers

- Enlarge your vision with size and color. Show detail in complex CAD drawings and other work with C-size printing. Add color to increase the effectiveness and impact of your work with patented, dye-based color inks.
- Create impressive results with meticulous ink placement, detailed images and brilliant color. Daily business documents, customer presentations and precision CAD drawings come to life with proprietary HP ink cartridges and precision printheads.
- Cost-effective to own and operate, this business printer supports a wide range of print media, prints color and saves time and money with individually replaceable HP printing supplies, precision printheads, roll feed and intelligent previewing.
