

# HP Designjet Z2100 Photo Printer

HP's 8-ink Designjet makes it easy to produce vivid, high-impact, large-format color and black and white prints.

## Product pointers

- Express your creativity: vivid high-impact color and black and white prints with new eight Vivera pigment inks. Choose from a wide range of colors and impress clients with quality results.
- Breakthrough color: achieve consistent and accurate color with first-ever embedded spectrophotometer (with Eye-One color technology). Regardless of the paper you choose to use, this precision tool enables automatic color calibration and easy ICC profiling.
- You are not alone: print with greater confidence with HP preview and printhead technologies. This reliable, easy to use HP 8-ink Designjet eliminates trial and error with HP's preview technologies, reliable printheads and always-on image quality.
